How to Activate, Setup and Use the Market Replay Environment

Axia Futures Market Replay

PLEASE NOTE: ONLY ACTIVATE AND SIGN UP TO YOUR REPLAY ENVIRONMENT AFTER YOU COMPLETE UNIT 4 AS ACCESS TO THIS REPLAY ENVIRONMENT IS FOR 4 WEEKS ONLY.

Click the button below in order to setup the Replay Environment that will be used for Unit 4 onwards. The button will redirect you to a Tradovate registration page. Fill in the form and click on the 'Sign up' button. Please do not login to the platform until you receive an email from Tradovate that they have set you up to the Axia Futures Market Replay plan. Access to the environment is not automatically granted and it may take up to 2 working days. If you have not received an email from Tradovate within 2 working days, please contact us at info@axiafutures.com.

NOTE: Please make sure that you use the same email address as your Axia Futures Login email address in the Tradovate registration form

By clicking the button below you will be redirected to the Tradovate signup page for creating a Tradovate Market Replay account. Please ensure that you agree with Tradovate's terms and Privacy Policy before submitting your personal information.

Axia Futures Market Replay – Jigsaw Order Flow Tool

Click the button below in order to generate an account for the Jigsaw Order Flow tool. Upon submission, you will be sent an email with your Jigsaw Account portal login details. You can locate your licence key under the 'Licenses' tab of the Jigsaw Portal page (use the 'Lifetime License' Application licence key).

☐ I understand that by clicking the 'Create Jigsaw Account' button below, my personal information (email, first name, last name) will be transferred to Jigsaw Trading to create an account for the Jigsaw Order Flow tool in accordance with their terms and Privacy Policy

In order to access the Market Replay environment follow the steps below:

www.fttuts.com

Step 1: Login to the Jigsaw Member Area with the credentials provided and click on 'Jigsaw daytradr Downloads' and download the latest version of Jigsaw daytradr standard (version V2.0.0.20 onwards)

Step 2: Install and Open. Enter your Jigsaw license key (you can locate your licence key under the 'Licenses' tab of the Jigsaw Portal page) in the 'Jigsaw Lifetime License' field and click on 'Activate'

Step 3: Click on the 'Connection Manager' icon from the Main Toolbar

Step 4: Click on the 'New' dropdown and select 'TradovateA'. In the 'Connection' field enter a name (something you'll remember it by) and enter your Tradovate credentials in the 'User Name' and 'Password' fields. Ensure that the 'Market Replay' field is flagged and click on 'OK'

Step 5: Click on Connect
